Email: Saulsalama@aol.com

How to get your car detailed/washed:

- 1) Car detailing and car washing services are offered every Wednesday at Tuscany.
- 2) To have your car detailed or washed, you need to fill out the [car detailing form](#) and deliver it to our office along with your car keys on the Wednesday morning that you would like your car washed. If our office is not yet open, you can leave the form and your keys with the front desk in the main lobby of Tuscany.
- 3) Mirror Image will pick up your car from your assigned space and take it to the car wash area on P1. They will wash it, return the car to your space, and leave the keys in the Conquest office. We will email you when your car is ready. You may then pick up your keys at our office or at the front desk in the lobby.

IMPORTANT NOTE

All of the available car detailing/washing service time slots may fill up every week, therefore priority will be given to residents based on the order in which forms and keys are handed in on Wednesday morning. It is recommended that you drop off your form and keys as early as possible on Wednesday mornings to guarantee that your car can be washed that day.
