- 2) Fill out the [online order form](#) and print it out.
- 3) Bring your Presto dry cleaning bag containing the completed order form and clothes you wish to have dry cleaned to the Conquest office.
- 4) If our office is closed, you can leave your Presto dry cleaning bag and completed order form with the front desk in the main lobby. The front desk has a supply of Presto dry cleaning bags as well.

It's Tuesday, I have a shirt I need dry cleaned. What should I do?

Pick up only occurs on Mondays at 1pm. If you miss the pickup deadline you must wait until the following Monday for pickup. You can leave your dry cleaning order in our office on Tuesday, but it won't get picked up until the following Monday.

Do I have to fill out the customer form every time?

No. As long as your name is legible on your personalized bag and they have a credit card on file for you, you will not be required to fill out the customer form. After your first order, they will have all your information on file for your convenience. You can simply drop off your dry cleaning bag at our office or at the front desk.
